About Us:

We are here at ADR Monitoring Centre (AMC) first got its recognition from Indian Pharmacopoeia Commission, National Coordinating Centre- Pharmacovigilance Program of Govt. of India (NCC-PvPI) on 2020. First Pharmacovigilance Associate is posted at the AMC in the year 2021, March. The AMC is currently working within the Dept. of Pharmacology with the aegis of Ministry of Health and Family Welfare (MoH& FW), Govt. of India. At the AMC, we detect, collect, analyze and process the required data to the International platform named as VigiFlow by gathering necessary information provided by the Healthcare Professionals.
