

**Final approval of Research Protocols, as per the proceeding of the 4<sup>th</sup> IEC meeting  
of PRMMCH, held on- 29/05/2019,**

**after submission of compliance documents by the investigators as per the suggestion of IEC.**

<b>Sl. No</b>	<b>TITLE</b>	<b>INVESTIGATORS</b>	<b>DECESSION TAKEN</b>	<b>Complied / Not Complied</b>
1.	Analysis of ADR(Adverse Drug Reaction) in geriatric patients of a Tribal Area, special reference to Self Medication & Traditional Medicines.(ICMR STS PROJECT)	Mr. Balaram Pothal (3 <sup>rd</sup> MBBS). Dr. K.P.Pattnaik.(Pharmacology) Dr. Smita Rani Samal.(Derma.) Dr. S. Pradhan(Pul. Med.) Dr. D. Pradhan(Gen. Med.)	<b>Approved.</b>	
2.	Knowledge Attitud Practice(KAP) Study regarding Antimicrobial use Guideline of ICMR, among doctors working in Primary, Secondary,Tertiary Health Care Facilities in Tribal Area.(ICMR STS PROJECT)	Mr. Bhakti S. Pradhan( 3 <sup>rd</sup> MBBS). Dr. K.H.P Mishra.(Pharmacology) Prof. Dr.K.P Pattnaik.(Pharma) Dr. Saroj Dash.(Micro.)	<b>Approved.</b>	
3.	Association of Dyslipidemia with Renal outcome in Hypothyroid Patients.	Dr. Suchismita Panda.(Biochem.) Dr. Pravat K Thatoi.(Gen. Med.) Dr. Manoj K Dash.(P.S.M)	Approved with suggestion: 1. Healthy subjects to be excluded from the study.	<b>Complied &amp; Approved.</b>
4.	Status and Implications of PPAR $\gamma$ in Thyroid Dysfunction.	Dr. Suchismita Panda.(Biochem.) Dr. Pravat K Thatoi.(Gen. Med.) Dr. B. Rath (Prof. Dept. of Biotechnology, N.O.U, Baripada). Dr. J Dandapat (Prof. & H.O.D, Dept. of Biotechnology, Utkal University, Bhubaneswar). Dr. Manoj K Dash(P.S.M).	Approved with suggestions: 1. Undertaking of the investigator from the Dept. Biotechnology,Utkal University, regarding utilization of Biological samples for the present research work for estimation of PPAR, TLR & IFNY. Then the sample will be disposed of as per normal biomedical waste disposal guideline.2. IEC approvalofconcerned Institut. 3. Exclusion of animal study at this centre.	-Complied. -Undertaking from HOD, Biotechnology, Utkal university submitted by the principal investigator on 25.6.19. <b>-Finally Approved</b>
5.	Study of resistance pattern of Antimicrobial agents in PRM Medical College And Hospital, Baripada, Mayurbhanj.	Dr. Anjali Tarai. (Pharmacology). Dr. Priti Lata Panda. (Micro). Dr. Saroj Dash. (Micro).	<b>Approved.</b>	
6.	Appraisal of sexual offence cases. Titled changed - Appraisal of sexual offence cases attending a tertiary care hospital.	Dr. P. Mohanty (FM & T).	Approved with suggestions: 1.Titled to be changed : Appraisal of sexual offence cases attending a tertiary care hospital. 2. Identity of the victim & accused to be protected (Undertaking from investigator). 3. Questioner proforma to be attached.	Complied : Title modified, Undertraking submitted(27.7 19) <b>Finally Approved</b>

<b>Sl. No</b>	<b>TITLE</b>	<b>INVESTIGATORS</b>	<b>DECESSION TAKEN</b>	<b>Complied / Not Complied</b>
7.	Accuracy of stature estimation from clavicle. Title changed - Accuracy of stature estimation from clavicle of skeletal remaining	Dr. P. Mohanty (FM & T).	Approved with suggestion: Title modified 1.Accuracy of stature estimation from clavicle of skeletal remaining	-Complied -Title changed <b>-Approved</b>
8.	Sexual Offence & Smegma. Title changed - Appraisal of Smegma in sexual offence cases attending a Tertiary care Hospital.	Dr. P. Mohanty (FM & T).	Approved with suggestion: 1. Change of title to – Appraisal of Smegma in sexual offence cases attending a Tertiary care Hospital. 2. Study to be made from willing volunteer with written consent but vulnerable groups (like medical students not to be included as volunteer). 3. Identity of the victims & accused to be total confidential & to be protected.	-Complied -Title changed -Undertaking regarding exclusion of vulnerable groups submitted <b>-Finally Approved</b>
9.	Appraisal of Drowning Cases. Title changed - Study of autopsy findings of drowning cases attending at postmortem center, at a tertiary care hospital.	Dr. P. Mohanty (FM & T).	Approved with suggestion: 1. Title to be modified- Study of autopsy findings of drowning cases attending at postmortem center, at a tertiary care hospital.	-Complied -Title modified -Project proposal in the format submitted on 27/06/2019 <b>-Finally Approved</b>
10.	HRCT imaging features of Multi drug Resistant Pulmonary Tuberculosis. Title changed - High Resolution Computed Tomography Imaging features of multidrug resistance pulmonary tuberculosis in detecting disease activity	Dr. Pravat Nalini Routray , (Radiodiagnosis). Dr. Swetapadma Pradhan, (Pulm. Medicine). Dr. Sasmita Parida,HOD, (Radiodiagnosis).	Approved with suggestion: 1. Title to be modified- High Resolution Computed Tomography Imaging features of multidrug resistance pulmonary tuberculosis in detecting disease activity.	<b>Title modified &amp; approved.</b>
11.	Role of Ultra Sonography with colour Doppler in evaluation of diffuse & nodular thyroid swelling with FNAC Correlation	Dr. Dinesh Kumar Kisku, SR, (Radiodiagnosis). Dr. SKC Mishra, (Pathology). Dr. Sasmita Parida, HOD, (Radiodiagnosis).	<b>Approved.</b>	

<b>Sl. No</b>	<b>TITLE</b>	<b>INVESTIGATORS</b>	<b>DECESSION TAKEN</b>	<b>Complied / Not Complied</b>
12.	Cervical tuberculosis lymphadenitis- Clinical profile & diagnostic modalities.	Dr. Swetapadma Pradhan, (Pulm Medicine). Dr. Prabhat Nalini Routray, (Radiodiagnosis). Dr. Upasana Das, (Pathology).	<b>Approved.</b>	
13.	Ultra sound correlation between placental thickness & gestational age	Dr. Biswanath Nayak, (Radiodiagnosis). Dr. Prabhat Nalini Routray, (Radiodiagnosis). Dr. Sasmita Parida, HOD, (Radiodiagnosis).	Approved with suggestion: 1. One co-guide from O&G Dept.	- Compiled -Co-investigator Dr. Chintamani Mohanta, (O & G). <b>-Approved.</b>
14.	Different types of extra pulmonary & pulmonary manifestation of Tuberculosis- A single tertiary care centre experience. Title changed - Study of different types of extrapulmonary & pulmonary tuberculosis a single tertiary care center experience.	Dr. Upasana Das, (Pathology) Dr. Kalyani Prava Gauda, (Pathology). Dr. Swetapadma Pradhan (Pulm Med.)	Approved with suggestion: 1. Title modified- Study of different types of extrapulmonary & pulmonary tuberculosis a single tertiary care center experience. 2. Co-guide from Pulmonary medicine Dept.	-Complied. -Study title modified -Co-guide Dr. Swetapadma Pradhan. <b>- Approved.</b>
15.	Diagnosis of H. pylori by various methods in chronic gastritis.	Dr. Upasana Das, (Pathology) Prof(Dr.) Priti Lata Panda, (Microbiology) Dr. Kalyani Prava Gauda, (Pathology) Dr. Sanjib Ku. Kar, Gastroenterology, CTC	Approved with suggestion: 1. One co-guide from DHH Baripada with experience in UGIE.	-Complied -Co-investigator Dr. Satanu Das. Surgeon DHH, Baripada, Trained in UGIE, signed in IEC application format. <b>-Finally Approved</b>
16.	Use of FNAC for investigating lymphaderopathies with special reference to epidemiological study of tubercular lesions in tribal based Mayurbhanj Dist of Odisha.	Dr. Kalyani Prava Gauda, (Pathology). Dr. Upasana Das, (Pathology) Dr. Priti Lata Panda, (Micro). Co- investigator Dr. S. Pradhan, Pulm. Medicine.	Approved with suggestion: 1. Title modified- Use of FNAC for investigating lymphaderopathies with special reference to epidemiological study of tubercular lesions in tribal based Mayurbhanj Dist of Odisha. 2. Co-guide from Pulm. Medicine	-Complied. -Title modified -Co-guide, Dr. S. Pradhan, Pulm. Medicine. <b>-Approved.</b>

<b>Sl. No</b>	<b>TITLE</b>	<b>INVESTIGATORS</b>	<b>DECESSION TAKEN</b>	<b>Complied / Not Complied</b>
17.	Study of subcutaneous mycosis in & around Baripada. Title changed - Study of subcutaneous mycosis in a tertiary health care centre.	Dr. Kalyani Prava Gauda, (Pathology). Prof(Dr.) Priti Lata Panda, (Microbiology). Dr. Upasana Das, (Pathology).	Approved with suggestion: 1. Title modified- Study of subcutaneous mycosis in a tertiary health care centre. 2. Co-guide (1 from Dermatology & 1 from Surgery).	-Complied -Title modified -Co-guide, Dr. S.R Samal, SR, Dermatology. <b>-Approved.</b>
18.	Study of retinopathy of prematurity in NICU & SNCU patients of Pediatrics Dept. of PRMMCH, Baripada, Odisha	Dr. Suchitra Panigrahi, (Ophthalmology). Dr. Pravakar Mishra(Pediatric)	<b>Approved</b>	
19.	Willingness for cornea donation of patients attending PRMMCH Ophthalmology Dept., among relatives of dead patients in hospital & Brought for PM examination.	Dr. Suchitra Panigrahi, (Ophthalmology). Dr. Swarnamayee Baskey, (Ophthalmology).	Approved with suggestion: 1. Proforma of questioner to be submitted.	-Complied -Questioner proforma submitted. <b>-Finally Approved</b>
20.	Conjunctival autograft with autologous blood in pterygium to prevent recurrence a comparative analysis with bareselera.	Dr. Suchitra Panigrahi, (Ophthalmology). Dr. Swarnamayee Baskey, (Ophthalmology)	Approved with suggestion: 1. Ophthalmologist certificate to be submitted, regarding scientific validity of the study.	-Complied -The certificate of scientific evaluation from HOD Optha, VIMSAR submitted by the principal investigator on 15/07/2019. <b>- Finally Approved</b>
21.	Retinal nerve fiber analysis in young myopics with age group of 10-30 years by spectral domain Ocular Coherence Tomogram(OCT).	Dr. Suchitra Panigrahi, (Ophthalmology). Dr. Swarnamayee Baskey, (Ophthalmology).	<b>Approved.</b>
